TEACHERS' FEEDBACK ANALYSIS REPORT

(Session: 2022-2023)

Suggestions/ Action Taken

On the basis of the analysis of Teachers' feedback result 2022-23, would like to put forward the following suggestions to the college authority vis-à-vis the governing body of the college.

1. A small percentage of teachers reported about the poor canteen facilities, therefore necessary steps were taken to minimize the problem regarding the duration of canteen hours, rate of the food items etc.
2. A small percentage of teachers reported about the availability of ICT classroom for which smart class has been installed for regular classes and conducting seminars.
