Report on National Mathematics Day, 2021

Organized by Department of Mathematics, Majuli College

On 20/12/2021, Wednesday, National Mathematics Day was celebrated by Department of Mathematics at the class room of Department of Mathematics, Majuli College. The program was started at 11:30 am with the welcome address by Dr. Dimpee Baruah, Assistant Professor Department of Mathematics. The inaugural speech of the program was delivered by Mr. Basanta Borah, HOD, Department of Mathematics along with introduction of the resource persons Dr. Probin Phukan, HOD Department of Mathematics, North Lakhimpur College (Autonomous) and Mr. Dilip Borah, HOD Department of Mathematics, Lakhimpur Girls' College. Dr. Probin Phukan started his talk by discussing the significance of the National Mathematics Day. He also talked about the history of Srinivasa Ramanujan, about his Education life to his contribution to Mathematics. After that, Mr. Dilip Borah delivered his lecture to the students about the contributions made by Ramanujan to today's Mathematics. Also he talked about the famous Hardy- Ramanujan Number, 1729. After that a question- answer session was started, all students of Mathematics Department were actively participated the program. The program was ended with the votes of thanks by Dr. Dimpee Baruah.
