Intimation of select papers/posters: October 29, 2022

Last date of Registration: October 31, 2022

**Registration form will be sent to the selected paper presenters

About Majuli College

Established on September 17, 1982 with a sacred mission of illuminating the river-island with the beacon of education, Majuli College is the premier institution of higher education situated at Kamalabari in Majuli, the only island district of Assam. What necessitated the college to be founded at Kamalabari was the geographical isolation and educational backwardness of the most populous river-island of the world. Affiliated to Dibrugarh University, Majuli College has been imparting education at the Under Graduate level in both Arts and Science streams. Presently, the college has 10 (ten) departments in Arts stream and 5 (five) departments in Science stream. Offering both Higher Secondary and Degree courses to about 1000 students per year, the college offers P.G. courses in Distance Learning Mode under Dibrugarh University and U.G. and P.G. courses in various subjects under Krishna Kanta Handiqui State Open University. Other than these, the college offers vocational courses for the benefit of the students in Tourism, Journalism, Computer Applications and Social Work at its own discretion. With support and co-operation of a host of dynamic and forward-looking professionals, the college vows to leave its indelible imprints on the sands of time.
